Policy: MyE Learning - 2005

LMS is a statewide project that makes an online learning management system available to educational service units, school districts, teachers, and students. The mission of MyE is “to implement an asynchronous web-based learning management system to ensure statewide accessibility to: 1) expanded educational opportunities for all K-12 students; and 2) timely delivery of staff development opportunities.”

The ESUCC Board contracts with ESU 17 to provide staffing for the MyE project. MyE staff report directly to the Executive Director.
