Policy: Employee Benefits Compensation - 4012

The costs of the various employee benefits are borne by the ESUCC and/or ESU No.17, the employee, or jointly as determined by the applicable agreement.

ESU No. 17 serves as the official ESUCC representative with the insurance carriers and other benefit programs for employees employed pursuant to the staffing services agreement.

ESUCC employees may be entitled to the following benefit options based on their position within ESUCC and pursuant to the staffing services agreement:

1. Health
2. Dental
3. Disability
4. Vision
5. Accident
6. Flexible Benefit Plan
7. Retirement, so long as the employee meets the requirements of the Nebraska School Employees Retirement System
8. Early retirement incentives as may be established by ESU No. 17 or the Board applicable to the particular employee
