

**Category: Council Operating Procedures - 5000**

**Policy: General Functions - 5003**

General functions of the ESUCC include:

1. Set major directions reflecting guidelines of law, expectations of ESUs and Statewide projects.
2. Provide for financial resources necessary to provide projects/programs.
3. Provide for implementation and evaluation of the statewide projects/programs in terms of the Board's stated goals and to recommend initiation of desired or needed changes.
