

Category: Council Operating Procedures - 5000

Policy: Specific Functions - 5004

Specific functions retained by the ESUCC Board include but are not limited to the following:

1. To work with ESU No. 17 on all appointments and dismissals of staff, to determine salaries and working conditions of employees, and to establish procedures for development of personnel policy.
2. To determine facility needs, as necessary to meet the working needs of all personnel working for the ESUCC.
3. To adopt an annual budget which provides a detailed plan of income and expenditures.
4. To work with Department of Education as stated in Rule 84 to collaborate the needs of statewide initiatives.

Adopted On: October 9, 2014
