Policy: Formulation and Adoption of Policies - 5113

All Board policies shall be adopted or amended at a public meeting and recorded in the minutes of the Board. All current policies will be posted on the ESUCC website and updated as added or amended by the Board so that the public and employees may be notified of such changes.

At the direction of the Board, the Executive Director will prepare a policy in the wording and codification with which they are to be entered into the official policy manual and present them for the approval of the Board.
